

A futuristic scene featuring two robots shaking hands. The robot on the left is white and sleek, wearing a white suit jacket and a visor. The robot on the right is more complex, with a golden, intricate head and a large Bitcoin symbol on its chest. A large, bold blue letter 'Q' is centered in the background. The background is a light blue gradient with faint circuit patterns and glowing particles.

The background of the advertisement features two robots shaking hands. On the left is a sleek, white, modern robot with a helmet and a visor. On the right is a more complex, golden, and intricate robot with a large Bitcoin symbol on its chest. The scene is set against a light blue background with faint circuit patterns and glowing particles.
